

Social and Cultural Activities

Several full-time student interns will accompany you during your time here in France. They will be your guides to discover Paris (Eiffel Tower, Notre-Dame, Montmartre, Champs-Élysées, Quartier Latin...) and explore its multitude of monuments, shops, museums, bars and restaurants.

Possible activities, at your own expense, include day trips to Versailles Castle, Disneyland Resort Paris, a Seine river cruise, etc.

Accommodation and Board

Students are housed in single-occupancy dorm rooms located on campus. Each room is equipped with its own bathroom, and laundry facilities are available. The on-campus restaurant is open from Monday to Friday.

Cost and Fees

- For students from partner universities (tuition fees waived): EUR 2,000
- For students from non partner universities: EUR 3,000

If you are not sure whether your university has a partnership with Telecom Ecole de Management, please contact your International Office or e-mail us at isabel-mary.morgan@telecom-em.eu

Costs included: classes, study tours, housing, breakfast and lunch (Monday thru Friday).

For more information and online registration, visit us at www.telecom-em.eu/en/summer-school or send an email to summerschool@telecom-em.eu

III FRENCH CLASSES FOR ALL LEVELS (ECTS credit 2 - US credit 1)

Whether you are a beginner, an intermediate or advanced French speaker, you will learn or improve your French in small groups with highly experienced professors (21 hours).

IV STUDY TOURS

To complete our academic program, the Summer School offers you the opportunity to experience exciting excursions to Switzerland (United Nations and International Telecommunication Union) and Belgium (European Commission and Parliamentarium).

Develop your Understanding of France within Europe

While spending three weeks studying in France, take the opportunity of a campus in the Paris area to improve your French and experience the French way of life.

Student Profile

Students enrolled come from a large variety of cultural and academic backgrounds. Summer School students come from all over the world and can choose to link with English speaking French intern students for the duration of the program.
